FOUNDATIONAL
STUDIES IN

BIBLICAL THEOLOGY AND WORLD MISSION

MISSIONARY SERVICE REQUIRES MEN AND WOMEN WHO ARE ADEQUATELY TRAINED TO BE ABLE TO MEET THE CHALLENGES THAT CROSSING CULTURES DEMANDS.

This necessitates a concentration on:

- » Spiritual formation (character, discipleship and relationships)
- » Theological grounding (understanding the message of the Bible, the gospel and the church)
- » Ministry skills (understanding culture(s), ideologies, communication and ministry & team dynamics).

Missionary service requires a rigorous programme of biblical and mission study that is both practical and classroom based. This course gives students the necessary preparation within a three year programme.
